

Francisco J. Arregui
Electric and Electronic Engineering Department
Universidad Publica de Navarra, Spain

Francisco J. Arregui is an Associate Professor at the Public University of Navarre, Pamplona, Spain. He was part of the team that fabricated the first optical fiber sensor by means of the layer-by-layer self-assembly method in 1998. He is the author of more than 250 scientific journal and conference publications, most of them related to optical sensors based on nanostructured materials. Dr. Arregui is Editor-in-Chief of the *Journal of Sensors* and Associate Editor of both the *IEEE Sensors Journal* and the *International Journal on Smart Sensing and Intelligent Systems*.

Most recently, he edited **Sensors Based on Nanostructured Materials**, Springer, 2009.
